Project
Seen

WHAT IS IT?

Project Seen has been created to put a focus on youth acknowledgement in our community. It's time to show kids how much they matter, and that they are SEEN.

WHY DOES THIS MATTER?

8th, 10th, & 12th Graders of Butte-Silverbow County reported in 2022:

- 56.6%** Sometimes I think life isn't worth it.
- 50%** At times I think I am NO good at all.
- 47.2%** In the past year have felt sad or depressed MOST days, even if they felt okay sometimes.
- 80.9%** Said, NO. My neighbor does not notice when I am doing a good job and let me know about it.
- 41%** Never/Sometimes do my parents tell me they are proud.
- 59.1%** NEVER have volunteered to do community service.

We can do better!

WHAT CAN I DO?

Take the time to acknowledge youth when you see them.

OR

Possibly provide them with an opportunity to learn a new skill and recognize them for their efforts.

Build a bond and set clear standards. Help inspire the youth to become their best selves.

We need to build healthy relationships with youth, so that they can build healthy relationships with themselves and others in the future.
